

## **Hidden Liverpool Photography Competition and Exhibition**

### **About Hidden Liverpool**

#### **'Unlocking memories behind Liverpool's empty buildings to create a vision for its future'**

The yearlong project focuses on some of the fantastic buildings that have played a part in the history of the city but are currently lying empty. The programme includes public exhibitions, design workshops, a debate series, drop-in community sessions, walking tours and a schools programme, providing opportunities for residents of all ages to get involved. Hidden Liverpool is a new project from PLACED, an award winning social enterprise inspiring young people about the built environment. Hidden Liverpool is funded by the Heritage Lottery Fund.
